John M. Eisenberg Patient Safety and Quality Awards

Individual Achievement Category

Individuals who have demonstrated exceptional leadership and scholarship in patient safety and healthcare quality through a substantive body of work.

The application/nomination period is 3 through 29 at 11:59 p.m. CT.

****PDF for reference only; all submissions must be entered directly into the online award platform.***

CONTACTS AND DEMOGRAPHIC INFORMATION

- x Nominator name, contact information, and email
- x Nominee name, contact information, and email
- x Title and organization name for nominee

NOMINEE SPECIFICS

- x Please provide an abstract of the individual's substantial patient safety and/or healthcare quality-related achievements and the importance of these achievements, including their specific impact on patient safety and/or healthcare quality. (1,250 character limit, including spaces; approximately 1/2 single-spaced page). This category is intended to recognize achievement for a body of work (i.e., over an extended time period, not intended for one-time project leadership). You will be asked to elaborate on the achievements in the remaining questions in the application.
- x Describe how the individual (nominee) has addressed an important area for improving patient safety and quality. (2,500 character limit, including spaces; approximately 1 single-spaced page)
- x Describe how the individual has made a significant advancement in the area of patient safety and quality. (2,500 character limit, including spaces; approximately 1 single-spaced page)
- x Describe how the individual's contribution has had a proven, direct impact on improving patient safety and quality. (2,500 character limit, including spaces; approximately 1 single-spaced page)
- x Describe how/why the individual's contribution is/was an innovation in the area of patient safety and quality? (2,500 character limit, including spaces; approximately 1 single-spaced page)
